

# Internet/Ethernet Solution

## I-8000 Series

- Compact Embedded Controllers
- Internet Solution
- Data Acquisition
- Motion Control

## I-7188 Series

- Embedded Controller
- Internet Solution
- Communication Controller

## I-7000 I/O Modules Series

- Digital/Input/Output
- Analog Input/Output
- Counter/Frequency

## Data Acquisition

- Analog Input
- Digital Input
- Digital Output
- Motion Control
- Counter/Frequency

## Communication

- RS-232 Device
- RS-422 Device
- RS-485 Device
- Ethernet Device
- CAN Bus

## Application

- Process Control
- Industrial Automation
- Building Automation
- Security System
- Motion Control
- Data Acquisition
- Remote Control & Monitoring
