Installing the AIB-2541-Mkey2280 in the AIB-2541M

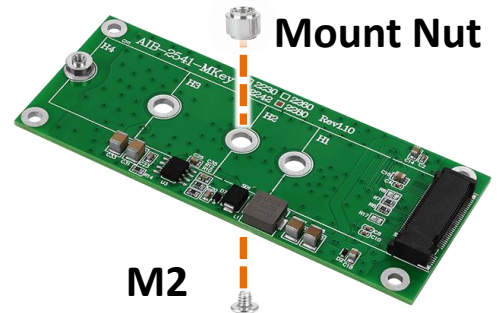

1) Remove the Side Cover

Remove the screws, and then remove the left side cover.

2) Install the Mount Nut (Optional)

Install the mount nut using the M2 screw. This step applies only to expansion cards shorter than the AIB-2541-Mkey2280. If not applicable, skip this step.

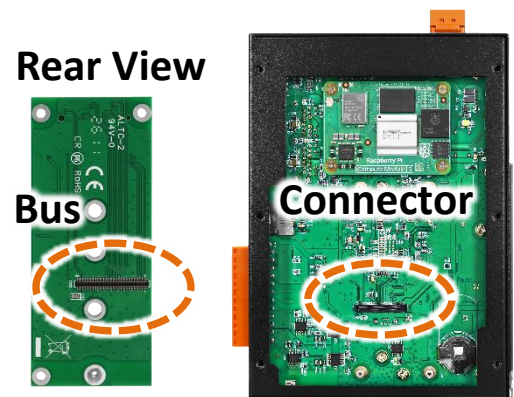

3) Align the Bus Connector

Align the bus connectors on both boards.

4) Position the Expansion Board

Align the board with the mounting holes.

5) Secure the Expansion Board

Secure the board with the supplied M2 and M3 screws.

6) Reinstall the Side Cover

Reinstall the side cover using the screws removed in Step 1.
