

A banner for 'Energy Management Solutions'. The background is a vibrant, abstract image with a blue and yellow color scheme, featuring a hand pointing towards the right. The text 'Energy Management Solutions' is prominently displayed in the center in a large, bold, blue font with a white outline. Below the main title, there are three icons and their corresponding text: a power plug icon for 'Power Management', a globe with a gear icon for 'Logic Control', and a folder icon for 'Data Redundancy'.
